September 1989

Vol. 11, No. 2

THE FALCON CLUB OF AMERICA, INC. is a non-profit organization dedicated to preserving the FALCON automobile built by the Ford Motor company from 1960 to 1970. Roy E. Sword founded the world-wide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are \$17.00 (\$22.00 outside the United States), and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076.

THE FALCON NEWS is published monthly with information from its members. All ads must be sent to the Editor by the 10th of the month, with a limit of 2 free ads per member per issue (limit of 50 words per ad). Each ad must appear in a different section of the classified ads. The FCA will not be held responsible for errors. Legitimate errors will be corrected in the next issue when requested.

Out-going President's Message

As a lot of you already know, I resigned as president of The Falcon Club of America at the National this year. I had been in office as president for 10 years. I have enjoyed serving as your leader over the years, but without you the club could not be what it is today. I believe that the club will continue to grow each year provided you will show your support to the new president as you did for me. As I told Gary, all the officers, and members present at the National, the club will always have my support.

The new president is Gary Goddard from Georgia. He has been with the FCA since the beginning (FCA #35). Gary has been active in the FCA, his chapter and many other club events. I am sure if you will give him the support you have shown me over the last few years, he will do a great job with the FCA.

We recognized a new chapter while at the National. It is The Sooner State Chapter of Oklahoma, so all you Oakies get involved with them. They have already planned a regional meet next May.

I would like to give a special thanks for the beautiful plaque the FCA awarded me. I feel I don't deserve such an honor as this. Once more, I thank all of you for letting me serve as your president. It was an honor for me, and I hope you will remember that as long as we "all work together, not for me, not for you, but for the FCA", it will always remain the most outstanding car club in the world.

Roy E. Sword
President, FCA
1979-1989

In-coming President's Message

I would like to start out by thanking Roy for the great job he has done the last 10 years. We would not have the great club we have today if not for Roy.

To let you know about me, I am 39 years old, married and member #35 of The Falcon Club of America. I was president of The Southeast Falcon Chapter for 4 years during which time we hosted 2 Regional Shows and The 9th Annual National Convention. I am one of the founders of The Mustang Club of America, and I have served in every office. I helped start The T-Bird Club in Atlanta. I have been a member of The Early Ford V-8 Club and The Model "A" Restorers Club. I'm currently a member of The Crown Victoria Association and The Mustang Club of America.

With my past experience in other car clubs, I believe I can help our club grow in the right direction, but I can't do it by myself. It will take all of us working together. We will be working closer with the regional groups. One of my goals is to make The Falcon News better. We are lucky to have Kathy and Bill as our editors and printers. As you know they have asked for help. I have a very good prospect for the new editor. If it works out, he will take over as editor in January 1990. Until then, I will serve as assistant editor. We need articles, pictures and write-ups of your Falcons.

As your new President, I want to know what your ideas and suggestions are to help improve our club.

I would like to thank The Mid-America Chapter for the great job they did hosting The 10th Annual National Convention.

Gary Goddard
President, FCA

65 Falcon 4 dr. 170 CE. Cream. Need to be restored. Has good seats, pretty good body, all windows and doors, very little rust. \$250 OBO. Bobbie Phillips, Rt. 4, Box 237, Crestview, FL 32536. (904) 682-9251.

RULES FOR CLASSIFIED ADVERTISING

All ads for the classified section of the newsletter must appear with a member's name to be considered a free ad (see page 2) or it is considered a commercial ad and must be paid for. Non-member ads in the classified section are \$5.00 each (classified ads are limited to 50 words or less). All items listed in the classified must have a price. Ads submitted without prices will be returned to sender.

The Falcon News will accept paid Commercial Ads for the newsletter. They must be sent to the editor. All ads must be received by the 10th of the month to appear in the next month's issue of The Falcon News. Payment must accompany all ads.

ALL COMMERCIAL ADS MUST BE CAMERA READY. ADS WILL APPEAR IN THE FALCON NEWS ONLY WHERE SPACE PERMITS. SEND CHECKS PAYABLE TO FCA.

COMMERCIAL AD RATES: FULL PAGE... \$50.00 QUARTER PAGE... \$20.00
 (Price per month) HALF PAGE... \$30.00

1/4 page photo ad \$15.00 for members \$25.00 for non-members

Only Falcon related ads will be accepted for The Falcon News. **Warning** - The FCA has no way of checking each advertiser, so the FCA accepts no responsibility for any dealings with advertisers. Let us know any experience, good or bad. The Falcon Club of America has the right to reject any or all commercial ads.

Additional parts included, records available, relocation forces sale. \$1200 OBO. James Mickey, 1592 Colony Dr., Rock Hill, SC 29730. (803) 366-1597.

Editor's Message

For those of you who were unable to attend the National, you missed a great time and the celebration of the club's tenth anniversary. Roy and his wife, Pat, were given several plaques and awards of recognition. As Roy stepped down as our president for the past 10 years, there was a lot of reminiscing about how the club started. We can't thank Roy enough for bringing it all together. Thanks, Roy, for a job well done!

We welcome Gary Goddard, our new president, and look forward to his articles in The Falcon News and his future help in making the newsletter better. Also, we will be announcing soon the new editor to take over January 1990.

Have a great month and let's all start this new Falcon year off with our dedication for the club's continued success.

Bill and Kathy Woodell,
 Editors

Attention ALL Michigan Area Members

We are looking for people interested in having a potluck at the Kowalk's house, Saturday, September 30, 10 a.m. until ? Bring your Falcon and parts to sell or swap (not required). Our objective is to have a good time, talk about cars, and swap or sell parts. Out of state members are welcome.

We will have a gas grill for your convenience. Please bring a dish to pass and your own table service.

Those in the Detroit area can contact Gene Johnson at (313) 261-8334 and convoy to Eaton Rapids. (About a two hour drive.) Those interested please send a SASE so I can send you a map and plan on how many are coming. Bring the kids, we will have games to play.

Ken Kowalk, 6138 Long Hwy., Eaton Rapids, MI 48827 (517) 663-4263

Top Window Seal Poll Results 1963-1965 Convertible Owners Only

Responses to the poll have reached 137. I believe that we will reach 150 within one more month at the present rate.

The manufacturer has agreed to start limited production of these top seals now that he has called several people responding to the poll, and now that we are within reach of 150.

If anyone has not responded, please send a postcard with name, address and telephone number to my address below.

I must remind everyone that I cannot respond to your many questions regarding these seals. Please read the following.

The seals are N.O.S. quality pressure molded seals produced in a compression mold. Each seal has a built in steel insert. There are seven separate pieces, each one different. The seventh seal is an extrusion to seal the top to the windshield. Anyone responding to the poll will be notified via mail when the seals are ready for shipment.

You will order direct from the manufacturer. The first production run will be for Falcon Club poll respondees only. We expect delivery of the first seals in December.

Please reply to:

Alan's Restorations
 P.O. Box 2126
 Truckee, CA 95734-2126

Calendar of Events

Arkansas— The Founder's Chapter meets the second Saturday of each month. Please mark your calendar & watch the newsletter for the place and time.

MEET REPORTS

The Gateway Chapter met June 25th at the Bonanza restaurant for their monthly meeting. More planning was done for the 1990 National Convention in St. Louis. We hope to have another good Swap Meet also like we had at our 1987 regional at Noah's Ark in St. Charles. Our vice president Don Branson and his wife Janice attended the Cruise-In at the Imperial Palace in Las Vegas. They met a very nice group of members there and had a very nice visit. They got to tour the restoration shop for Imperial Palace which was very interesting. They acted like they were glad to have us tour their shop and answered all of our questions. Everyone was excited about the work being done on all the old cars in the shop. They also toured the museum which was nice. Everyone received a beautiful plaque with their name engraved on it along with your chapter name. We expect good participation at the Mid America National Convention in August.

The Gateway Chapter also met July 23 at American Classic Cars Shop in Harvester, Missouri. We had a pot luck dinner with the Chapter providing the fried chicken and members bringing covered dishes. About 20 people attended for the delicious meal topped with homemade ice cream provided by President Rick Tribout and his wife, Sue. Al Lecrone and Beverly Milly, owners of American Classic Cars and also members of the Club were excellent host and hostess and also provided refreshments. After a business meeting, everyone went outside and lined up the Falcons for some picture taking. This was something different from our regular meetings. Everyone enjoyed themselves.

The Keystone Chapter met at the Macungie Das Awkscht Fescht August 6. Together with the Mason-Dixon Chapter, there were 38 Falcons on display. Despite the hot weather, the cars and nearby automotive flea market made an enjoyable day for all. A general meeting was held to elect Keystone Chapter officers and discuss the upcoming regional meet in New Jersey, September 8-10. Our hats are off to the Mason-Dixon members who drove long distances in the heat to help make the show a success.

The Lone Star Chapter enjoyed a wonderful fish fry at the home of Ron & Sharon Dorsey. We signed up 2 new members at this meeting. We also had another new member attend his 1st meeting. We discussed plans to meet in Gainesville to caravan to the Nationals. We also discussed plans for our up-coming regional.

The Mason-Dixon Chapter participated along with members from The Keystone and Northeast Chapters for a total representation of 38 Falcons at the Macungie, PA Das Awkscht Fescht (August Festival). The Falcon Club display area teemed with activity for the entire day and everyone enjoyed a warm day filled with Falcon talk and parts shopping in the parts vendor and flea market/crafts area. Everyone who participated received a dash plaque and a participation award. Thanks everyone - your participation is what makes these activities so much fun for everyone.

The Mile Hi Chapter held their regular group meeting July 21 with a large attendance and some new members joining in. Plans are complete for the Chapter Family Summer Picnic to be held July 30 at Cushing Park in Englewood, Colorado. Response has been great and a good bunch of Falcons and their "Families" will be coming in for the rendezvous. Club Clash Night at Bandimere Speedway has been enthusiastically participated in with points being accumulated for our Club by several Chapter members. Parades are coming up and please contact Adkins at 421-8073 if interested in participating. Paul Garrigan is setting up a Skill Driving Challenge for Aug. 6 for Chapter members to compete for judged points in various driving skills and situations. There will be two trophies for Men's and Women's Division accumulating the most points. Everyone is eagerly anticipating the caravan to the National Convention which will be leaving Denver Aug. 9.

The River City Chapter met at members Ray and Michele Johnson's home in beautiful Pollock Pines for a barbecue. The day started with a slow cruise through the beautiful foothill gold rush country. We made a short stop at one of the numerous wineries in the area. The scenery was great and the barbecue enjoyable.

The Southeast Chapter met July 16th at McDonald's in Conyers and traveled by caravan to Rome, GA. Other members joined us at Martha Berry college for a tour of the campus. 31 members and guests were present for the drive around the campus area to view the buildings and the farm lands. Everyone enjoyed the beautiful scenery in spite of the rain and muddy roads. After the tour we had a picnic lunch and business meeting at the pavilion. We then visited the Berry museum where we saw a film about Miss Berry founding and supporting the college. Miss Berry's home at Oakhill was our next stop. There we heard the history of the house and how Miss Berry came to own it. It was originally owned by her father, a captain in the Confederate army. The house and gardens are maintained in the same state as they were when Martha Berry died in 1944. We drove home through some very hard rain but it turned out to be a fun day. Thanks Alvin and Judy for arranging the tour.

Help Wanted with Special Project Need Falcon Television Commercials

The Keystone chapter will be putting together a tape of highlights of the Macungie Car Meet and New Jersey Regional Meet to be shown on Berks Community Television's *Spare Parts* program in January 1990. We would like to include in this tape several Falcon television commercials released by Ford marketing in the early to mid 60's. Anyone having access to any TV ads is asked to contact Marin F. Ennis, 1405 Dogwood Dr., West Lawn, PA 19609. All responses will be answered and any and all help is much appreciated. Thank You!

1965 Falcon Hardtop & Convertible Roster

Finally! Here is the completion of my 65 Hardtop and Convertible Roster. All together, 96 owners responded with 133 cars. 83 are Hardtops, 43 are Convertibles, and seven are Sedans. (Even though this is a Hardtop/Convertible Roster, I went ahead and included the Sedans that the few people sent in.) Amazingly, out of the 83 Hardtops, only one was the body 63C (Futura w/bucket seats) owned by Pat Freedle way up in Alaska! I'd like to thank all the club members who responded to my roster. It was fun doing it.

Thanks,

Michael McCarty, P.O. Box 1114, Red Bluff, CA 96080. (916) 527-1454.

P.S. Cars are listed according to the first built and last, also by assembly plant. As you can tell, the majority were built in Lorain, Ohio. Any questions? Feel free to call or write.

Eastern Regional Meet September 9, 1989 Livingston, New Jersey

The Eastern Regional meet being sponsored by the Keystone and Northeast Chapters of the Falcon Club of America has been finalized. The meet will be held on September 9, 1989 at the Holiday Inn on Rt. 10 West in Livingston, NJ. The cost of entry will be \$12.00 pre-registered, and \$15.00 after Aug. 15, 1989. The cost of rooms is \$59.00 per night single or double for either Friday night or Saturday. Rooms can also be had for both nights.

There will be a choice of two dinners at the banquet. They will be chicken at \$15.50 per person or sirloin at \$19.50 per person. There will also be a third choice for those who cannot eat either of the above. We will also have a limited number of swap spaces available at \$12.00 per space. Applications for the event will be in forthcoming newsletters.

The car show will be all day Saturday with the awards banquet set for Saturday night. For those members wishing to come in on Friday night rooms will be available after 2 p.m. on Friday. We would like to encourage members to come in on Friday and get to know each other. The main reason for car shows is to get to know one another and enjoy everyone's company. Our Falcons are the common denominator for the good time that we all have together. We would also urge anyone who wishes to attend to get their applications for the show and banquet in early. There will only be about 120 members seated at the banquet so do it quick. We have already had 35 responses to attend so we are almost half full now.

I would like to thank everyone who has responded for their letters and calls. We are looking forward to a successful show. If you have any questions feel free to call.

Chris, Gerrie & Matt Scioscia, 50 Spring St., Bloomfield, NJ 07003, (201) 743-7245.

NOTE: See map in June issue.

NOTE TO ALL MEMBERS: The club will send out notices to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club.

Falcon owners want club

Several Ford Falcon owners in the central Arkansas area are trying to form a club for persons intrested in restoring and keeping the Ford Falcon car.

It has been 10 years since a Falcon was built and they are now diminishing very fast as they are wrecked or being junked.

The purpose of the Falcon Club is to exchange ideas on how to restore the automobile and where the best place is to get the parts.

Some owners are getting together August 19 at Dupree Park to discuss the possible formation of a club.

The meeting will be from 10 a.m.-5 p.m. with a business meeting at 2 p.m. to discuss the formation of the club and what the ground rules will be.

For more information on the club contact Roy Sword at 982-1209.

How Roy got it all started!
